Dear Colleagues

We are pleased to invite you to a Nephropathological Minisymposium, organized in AZ Sint-Jan Brugge on Monday 29th June 2015.

18.30-19.30: Welcome drink and light meal.

19.30-20.30: Sanjeev Sethi, Nephropathologist, Mayo Clinic Rochester.
Novel insights on **Pathological Classification, Diagnosis, and Reporting of Glomerulonephritis**, with a focus on disease entity/pathogenic type rather than on pattern of injury.

20.30 – 21.30: Case presentation by Tom Dejager, Jessa Ziekenhuis Hasselt, Bart Maes, AZ Delta Roeselaere, and Marc Helbert, ZNA Antwerpen. Discussion of the cases by Sanjeev Sethi.

21.30 - 22.00: Wim Laurens, AZ Nikolaas. Presentation of the aims and objectives of the Flemish Collaborative Glomerulonephritis Group.

Registration is free. CPE accreditation has been requested. Please confirm your participation by email and include your RIZIV number (dialyse@azsintjan.be).
Parking will be available on the Doctors' parking of the hospital.

Best regards

The Division of Nephrology and Infectious Diseases AZ Sint-Jan Brugge
The Department of Pathology AZ Sint-Jan Brugge
